Varietal	Alcohol	Cellaring Potential	Harvest Date	Oak	pH	TA
Semillon	10.7%	2-6 years	23 <sup>rd</sup> January 2020	N/A	3.00	7.0g/L

## VINTAGE NOTES

"I remember deciding the fruit was ready to be picked, it was a cool night, pristine conditions to harness the aromatics and flavour of such a delicate variety and the bunches were clean as whistle. After processing, the free run juice coming out of the press was this gorgeous electric green colour. I have had high hopes for the potential of our 2020 Single Vineyard Palmers Lane since then, the wine in bottle is stunning." - Richard Done, Winemaker
