A slow cool ferment with specifically selected yeast for dessert wine. Ferment stopped early to retain sweetness and low alcohol. Fined, filtered & bottled soon after to retain freshness.

VINTAGE NOTES

2021 Late Harvest Semillon is a new wine in our stable at Bimbadgen. A really fun wine to make and watch evolve during ferment. This wine will work beautifully with cheese and also as a palate cleanser. The key in this wine is fresh acidity to finish, so you are not left with cloying sweetness. Enjoy! Richard Done, Winemaker
