# WELCOME TO PALMERS LANE

Nestled amongst the scenic beauty of two acclaimed vineyards in the heart of the Hunter Valley, Bimbadgen Palmers Lane offers an enchanting backdrop for unforgettable weddings. We specialise in creating dream weddings, blending our award-winning cuisine, exceptional wines, and flawless service to orchestrate an unforgettable experience.

Our unique name stems from the local indigenous language meaning 'Place of Good View' and this truly summarises the location for your wedding. Whether you're captured by the visionary architecture of the winery including its striking bell tower and natural vineyard landscape, or the vastness of the Palmers Lane vineyard with stunning mountain views, your wine region wedding will be everything you imagined.

Our Executive Chef and team have created menus inspired by Esca Restaurants reputation for outstanding regional food, paired perfectly with our award-winning wines.

We look forward to hosting your special day.
