# NIGHT MERCHANT

**As the world sleeps, we awaken a different kind of craft.**

By night, the Bimbadgen winemakers trade the grape press for the copper still, corkscrews for coils, pipettes for botanicals.

Wine gives way to spirit. Vintage gives way to vapour.

# Summer Sour

## Made with Night Merchant Pink Gin

Bright, refreshing with a subtle sweetness. Effortlessly smooth, this cocktail is the answer to quenching warm-weather thirst.

Night Merchant's Pink Gin's delicate strawberry aroma meets the sweet, citrusy depth of Pimms and is perfectly balanced by fresh thyme's herbaceous notes. A summer essential, best enjoyed under the sun or by moonlight.
